Title 32: PROFESSIONS AND OCCUPATIONS
Chapter 21: FUNERAL DIRECTORS AND EMBALMERS

§1503-A. PRACTITIONER TRAINEE

In order for any person to receive credit for time served as a practitioner trainee, that person must have served 2,000 hours of employment with a funeral establishment approved by the State Board of Funeral Service under the instruction and supervision of a person licensed for the practice of funeral service and actively engaged in that practice, and must be licensed as a practitioner trainee with the board. Upon terminating employment, the practitioner trainee shall notify the board immediately, giving the date of termination. The practitioner trainee must repeat this procedure with all subsequent employers accurately showing the dates of beginning and of terminating apprenticeship employment. Before a funeral service license may be issued, the practitioner trainee must file with the board a certification of the trainee time served, signed by the practitioner trainee's employer or employers, before a notary public. Practitioner trainee requirements are satisfied in the case of an applicant who presents proof of present licensure as a practitioner of funeral service in another state at the time application is made for licensure as a practitioner of funeral service in this State.
